## RENEWABLE ENERGY TECHNOLOGY CONGRESS

25<sup>th</sup>-27<sup>th</sup> April 2012 at Convention Centre-NDCC  
Parliament Street, New Delhi, India

Promoting Renewable Energy, Green Technology for Sustainability

### Invitation

Dear Colleagues,

Energy And Environment Foundation with the support of Ministry of New & Renewable Energy, Government of India is organizing **Third World Renewable Energy Technology Congress & Expo-2012** from **25<sup>th</sup> to 27<sup>th</sup> April, 2012** at **Convention Centre-NDCC, Parliament Street, New Delhi, India**. The theme of the congress is "**Promoting Renewable Energy, Green Technology for Sustainability**".

India is a growing potential market for Renewable energy. The Government of India is actively promoting the development of renewables through subsidies, concessional duties and programmes like the **National Solar Mission, National Action Plan on Climate Change**, the initiative on **Energy Certificates** by the **Bureau of Energy Efficiency**. In its focused approach India has a target of 10% contribution of renewables in power generation capacity by 2012.

**Third World Re-EnergyTech-2012** will bring together **Renewable Energy** industry corporate leaders, technology providers, R&D scientists, senior govt. officials, senior executives, concerned investors and institutions together with eminent experts share their experience relating to energy security and sustainable environment and eco-friendly development. Speakers and delegates from **Australia, Austria, Canada, France, Germany, Indonesia, Italy, Japan, Malaysia, Mexico, Netherlands, Norway, Singapore, South Africa, Spain, Sweden, Switzerland, UK, USA** apart from International and National renewable energy companies' key executives have confirmed their participation in the congress.

**Third World Re-EnergyTech-2012** shall provide vital information about the **latest concepts, trends and technological developments** with special focus on fostering co-operation for generating green business. The exhibition will showcase latest green technologies, equipments, products and services to harness renewable energy in the energy mix. For those interested and involved in renewable energy in India, Kindly join **Third World Re-EnergyTech-2012** to discuss, **yesterday's experience, today's status and tomorrow's challenges**.

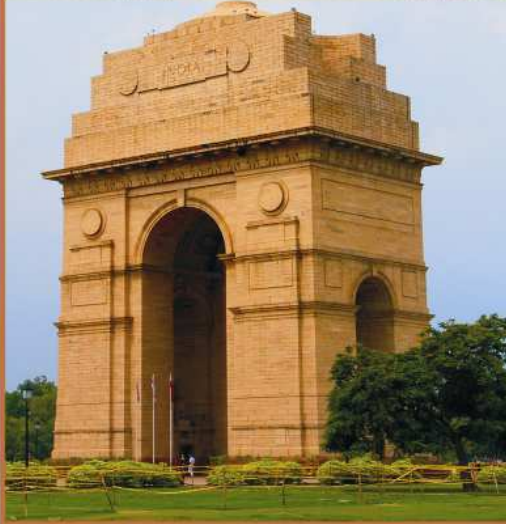

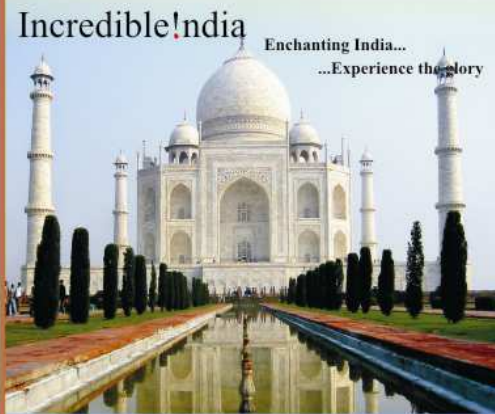

India is known for its warmth of hospitality. We will bring glimpses of India's rich traditions to you. **India offers many opportunities to profit from one of the biggest potential renewable energy markets in the World today**. We are making all efforts to offer a meaningful, high quality congress programme to ensure that your stay will be enjoyable, memorable and affordable.

We look forward to welcome you to the **Third World Renewable Energy Technology Congress & Exhibition-2012** at **New Delhi** for a stimulating and exhilarating professional experience.

Best regards,

Dr. Anil K Garg

President, World Re-EnergyTech-2012

GREEN CONGRESS

## TECHNICAL SESSIONS

- Photovoltaic
- Centralized Solar Thermal Power
- Decentralized Solar Thermal: Solar Heating & Cooling
- Off Grid Rural Electrification
- Solar Power Technologies and Intelligent Energy Systems
- Wind Energy
- Small Hydro
- Energy Efficiency and Low Energy Architecture (Green Buildings)
- Energy Storage Technologies
- Bio Energy : Biomass Resources, Biofuels and Waste-to-Energy

AGENDA  
AT A GLANCE

## BUSINESS MEETINGS

- Towards Sustainable Future : Fostering Green GDP and Inclusive Growth
- Global Cooperation in Renewable Energy Sector

## PANEL SESSIONS

- Capacity Building and Manpower Development in Renewable Energy Sector
- New Technologies and their future in Renewable Energy Sector
- Finance and Investment Opportunities in Renewable Energy Projects-Future Market Directions

### Venue : Convention Centre-New Delhi City Centre

*Parliament Street, New Delhi, India*

The state-of-the art Convention Centre-New Delhi City Centre, located opposite to Jantar Mantar on Parliament Street, New Delhi. It was constructed by NDMC on the lines of Vigyan Bhawan, New Delhi. The convention centre has two auditoriums, six conference halls and facilities like videoconferencing and central air-conditioning. The building has an automated underground parking lot for about 900 cars.

## About the Organisers

Energy And Environment Foundation organises large-scale international energy conferences, as a forum for delegates from all over the world. EE-Foundation focused towards helping billions of poor people world over who presently have little or no access to electricity and other basic energy sources. It is a not-for-profit, future-oriented, dynamic, talent-and-technology savvy as well as environment friendly foundation. E-EFoundation will work towards bringing governmental, industry, academic and research institutions from across the world on a single platform to address the issues related to energy and environment.

## The Conference Aims

- Provide an opportunity and open forum to exchange information, share experiences and best practices by bringing together experts, investors and other multi stake holders of public and private sectors, advisory groups, governments, NGOs, non-profit organizations, environmentalists and academia.
- Provide a comprehensive analysis of problems and prospects of renewable energy sources.
- Provide in-depth assessment of regulatory framework.
- Provide an international window to showcase Indian expertise, capabilities in renewable energy sector.
- Promote global co-operation in business and technology.
- Provide an opportunity for interaction and networking.
- Find ways for optimal use of world's energy resources for the benefit of mankind.
- Identify new areas for future co-operation and technology transfer.

# World Renewable Energy Technology Congress-2012 will be bigger and better!

Register today and join senior decision makers from the renewable energy industry from across the world.

## Key Features

- ✓ Global representation.
- ✓ Valuable networking and business development opportunities.
- ✓ Connect with key industry stakeholders.
- ✓ All sectors of renewable energy industry represented.
- ✓ Presentations from across the entire value chain.
- ✓ Presentations from leaders in the industry.
- ✓ Country specific presentations.
- ✓ Strategic insight from CEO led presentations.
- ✓ Have your opinion heard in break-out/discussion groups.

## Who Should Attend...

Third World Renewable Energy Technology Congress-2012 will be of interest globally to industry professionals and all those operating in the renewable energy sector, particularly:

- Policy Makers and Regulatory Authorities
- Senior Government Officials
- Industry leaders CMDs, CEOs, Directors, Presidents etc.
- Diplomats
- Banks, Investors & Financial Institution Executives
- Sr. Executives and General Managers from Financial Sector
- Executives from renowned Private and Public Sector Companies
- Research and Development Scientists
- Technologists, Operators and Service Providers
- Entrepreneurs
- Energy Traders / Associates
- Producers and Consumers
- Operations Personnel and Project Managers
- International Suppliers and Trading organizations
- Equipment Suppliers
- Advisory Groups, Advisors and Consultants
- Services Companies
- Safety Experts / Risk Managers
- Electricity Generation Transmission and Distribution Executives
- Information Technology Providers
- Environmentalists Foundations
- Legal, Tax and Technical Consultants
- NGOs and Non-Profit Organizations
- Academia - Students and Faculty from Universities

The conference will also be of interest to organisations not yet active in energy and environment fields, but considering an active role in the future and also to a range of service organisations supplying and feeding the renewable energy sector.

## Key Issues

- ✓ What is the future of renewable energy?
- ✓ How to enhance the contribution of RE in future?
- ✓ Role of low carbon cleaner and efficient green technologies to enhance economic growth?
- ✓ Global Co-operation in renewable energy sector.
- ✓ Renewable Energy Technology Development and Diffusion.
- ✓ Global opportunities for Business and Rural Development.
- ✓ Innovative Solutions for Sustainable Development.

## The Exhibition will

Focus on **innovative products, equipments, technologies and services** to:

- A potent force for business where buyer, seller and product physically come together and meet.
- B2B interaction between buyers & sellers.
- Understand latest technologies in the sector.
- Locate alternate source for supplies and technology.
- Identify new business partners and competitors.
- Attract more business.
- Facilitate consumer acceptance and brand publicity.
- Build the brand and sellers match making.

## Special Interactive Group (SIG) Business Meetings-Round Table (By Invitation)

During the **World Renewable Energy Technology Congress-2012** following themes will be covered in two business sessions :

“ Towards Sustainable Future :  
Fostering Green GDP and Inclusive Growth ”

“ Global Cooperation in  
Renewable Energy Sector ”

## Participating organizations

# Key Speakers at WRET-2012

**Dr. R. Chidambaram**  
Principal Scientific Adviser  
Government of India

**Mr. Deepak Gupta**  
Former Secretary  
Ministry of New and Renewable Energy  
Government of India

**Mr. Gireesh B. Pradhan**  
Secretary  
Ministry of New and Renewable Energy  
Government of India

**Professor Ali Sayigh**  
Chairman of WREC & Director General WREN  
Editor-in-chief Renewable Energy  
UK

**Mr. V. Subramanian**  
CEO & Secretary General  
Indian Wind Energy Association

**Dr. Osman Benchikh**  
Head, Renewable Energy Programme  
UNESCO, France

**Mr. Jens Burgdorf**  
Director  
Indo-German Energy Programme (IGEN)  
GIZ

**Mr. K. S. Popli**  
Director (Technical)  
IREDA

**Dr. Patrick Hofer-Noser**  
Chief Technology Officer  
Meyer Burger Technology AG, Switzerland

**Mr. Satish C. Sharma**  
President & CEO - Hydro  
Jindal Power Limited

**Mr. Rajinder Kumar Kaura**  
Chairman and Managing Director  
Bergen Group of Companies

**Mr. Christian Pho Duc**  
Vice President Sales EMEA & India  
Nanosolar Inc, Germany

**Ms. Sunita Kumar**  
Country Manager  
AREVA Solar

**Dr. Arun Ramakrishnan**  
Manager Market & Technology Research  
centrotherm photovoltaics AG  
Germany

**Dr. R. R. Sonde**  
Executive President  
Thermax Ltd

**Mr. Vish Palekar**  
CEO & Business Head, Cleantech Ventures  
Mahindra & Mahindra Ltd.

**Dr. Simon Hobbs**  
Site Leader - Honeywell Pace City  
Director  
Honeywell India Technology Center  
UOP India Pvt Ltd

**Dr. Satyendra Kumar**  
Chief Technology Officer  
Lanco Solar Pt. Ltd.

# Sponsorship and Exhibition Opportunities

## Sponsorship Opportunities

Sponsorship of the WRETC-2012 will ensure that your company features at the forefront of what is an unrivalled forum for government, renewable energy, financiers and service providers.

### Join us to:

- Network with the industry decision makers
- Demonstrate competitive edge technologies
- Generate new sales
- Create greater company exposure
- Showcase your products, services and achievements
- Strengthen your position in the market
- Launch a new company or service
- Contact new and existing clients
- Update the industry with new company information
- Enhance a company milestone or anniversary

### Benefits include:

- Delegate passes for you and your colleagues
- Display your company logo on the main conference backdrop
- Detail your company contact information in all conference documentation
- Showcase your website through links from the WRETC website
- Insert corporate literature into each delegate bag

Outstanding sponsorship opportunities includes Main Evening Reception, Gala Dinner, Branding of the Conference Documentation, Badges. We can customise a variety of options to suit your budget, objectives and aspirations to promote your company.

## Join the Exhibition

The exhibition area presents the perfect opportunity to promote your company, its products, services, technologies knowledge and achievements with focus on products, technology and equipments. The exhibition area is the place where all refreshment breaks, lunch will be hosted for networking.

Exhibitor can be accommodated on first-cum-first serve basis.

## Exhibit Space Charges

Stand Space Charges	National	International
Build Up Space (Min. 9 sqm)	₹ 9000 per sqm	US\$ 300 per sqm
Electricity Charges	₹ 300 per sqm	US\$ 10 per sqm
Service Tax charges extra	10.3%	

## Advertise in the CONGRESS BOOKLET 2012

There are excellent opportunities available to advertise in the 2012 edition of the Congress Booklet. Give your organisation advertisement to get more visibility at the conference. Congress Booklet is a full-colour with nearly 60 pages of useful information for the conference. It covers message of the dignitaries, profile of speakers, sponsors, exhibitors, organizers and the programme etc.

Page Particulars	Amount
