# Why Sponsor?

Sponsoring the 14<sup>th</sup> World Renewable Energy Technology Congress & Expo-2023, the premier International Conference and Exhibition offers an opportunity for stakeholders of the Global Renewable Energy Industry to RAISE one's visibility, showcase and commitment to the Renewable Energy and Environmental Sector.

*It offers and allows your organisation to:*

- Associate your brand with an industry-leading event
- Build and enhance your brand image
- Demonstrate your commitment and support
- Make new contacts and network with potential customers
- Connect with leaders, decision makers, leading industry professionals & Government officials.
- Demonstrate your skills and abilities to the industry
- Showcase strength of your company vis-a-vis your products / services

Sponsorship packages have been developed to maximize exposure and activities for all sponsors. We will tailor and customize special sponsorship package to suit your objectives and budget.

All packages include:

- Promotional and branding opportunities
- Corporate networking opportunities
- Marketing Opportunities
